PASCO Sponsor-a-Friend Membership Program

PASCO exists to serve the SSA Region 11 soaring community. As a volunteer organization, PASCO is a reflection of its members, and can only become a better representative of soaring pilots in our region through increased membership and participation.

We challenge current PASCO members to add to our community by sponsoring soaring friends and encouraging them to join PASCO. In return, PASCO Membership will reward each sponsor as follows:

For every 1 – 2 new Members who join PASCO, the Sponsor of those Members will receive 1 free year of PASCO membership. For 3 – 5 new Members, the Sponsor will receive 2 free years of membership.

For Sponsors who belong to one of the clubs who participate in the PASCO block membership program (BASA and NCSA), PASCO Membership will credit the Sponsor's club as follows:

For every 1 – 2 new Members who join PASCO, but not as part of a club block membership, the Sponsor's club will receive credit for 1 yearly membership at the next block renewal. For 3 – 5 new Members, the Sponsor's club will receive credit for 2 yearly memberships.
