

Glider Display at Dream Machines – Ideas

One month before the event:

- Reserve space (contact Eddie Andreini), PASCO to pay for space, if there is a fee.
- Request/print collateral from SSA.
- E-mail PASCO members to recruit help (need at least 3 volunteers, one to watch plane, one to answer questions the third takes a break, then rotate).
- List event on PASCO calendar.
- Make a tri-fold with information about the plane on display and soaring in general.
- Make laminated fact sheets that can be handed to interested spectators while they look at the plane.

Sailplane Information – include the following:

- Weight
- Cost
- Manufacturer/year of manufacture
- Wing span
- Construction
- How does it get airborne?
- How is it transported?
- What has this plane done – competition, records, etc?
- Parts of the plane – flaps, ailerons, spoilers, winglets, etc.
- What does it have in common with a power plane and what is different?

Soaring Information – include the following

- How to get started
- Local soaring sites
- Competition aspect

Other “Show and Tell” items to bring for display:

- Pictures
- Copies of Westwind, Soaring, etc.
- Copy of state records, FAI 1000K certificate, etc.
- Handouts (print in color of PACO will pay)
- Business cards – PASCO web site and a contact e-mail address

Other extras to bring on the day:

- Table and chairs
- Sun and wind protection – jacket, hat, sunscreen, sunglasses, chap stick, etc.
- Lunch, snacks, hot drinks
- “DO NOT TOUCH” sign – very important!
- Polishing rags

Other Events to consider exhibiting at:

- Salinas Air Show
- Watsonville Air Show
- ???
